Announcements:

In church:

Deacon's Meeting: Tuesday, May 29th at 7 pm

I have GROUND BREAKING NEWS... no literally ground-breaking news. I am excited to announce that the church will be having a garden. There is about 795 million people that go hungry every night. That is about one in nine people that will go to bed hungry. The vegetables that are from the garden will go to local food pantries to help the people in our community have food. This started as a school project, but I am excited to keep it going for many years to come. If you have any questions, feel free to ask me. I cannot wait to start this with the church family and make a difference in our community! ~*Kimberly Wilcox*
